**Information** - The Mount Vernon High School Class of 1960 maintains its own dedicated Internet home page / web site at: <http://www.mvhs-1960.com>. [Note the hyphen – it really is there]. Much more information is available at this site than we can cover here. Please take a site tour (it is our public database of record), and give us at least an email address (it doesn't have to be your own), so you can be included in our electronic loop and receive periodic updates. Note - Please do not confuse our site with the MVGrads Alumni Registry, an allied but separate site.

**Missing** - We are in our final countdown mode to locate missing classmates. Can you aid the Reunion Committee in its location effort? Any clues would be appreciated. Our most current list of missing 1960 classmates is attached.

**RSVP** - Please **complete** both the RSVP registration and biographical feedback forms (even if you do not plan to attend), and **return** them together with your check covering your selections paid in full to the Reunion Committee in the enclosed return envelope. We need both the information and the funds in order to continue our full invitational plan. For both ourselves and our vendors, we ask for your response “with all deliberate speed”.

**Questions?** – Please contact Darryl W. Dockins ([dwdockins@gmail.com](mailto:dwdockins@gmail.com)) or again, check out our Internet web site (see above).
